

## Finishing Wraps and Pockets

Cuddles-UK is very happy to put your wraps together for you and add linings to your angel pockets. The knitting pattern for both of these these can be found in the files section.

If you would like us to finish them, please don't sew up the sides first.

Only pockets with less than 7.5 inch sides have linings added.

Please check whether 'Cuddles Central' is requesting them first, as storage space is limited throughout the group.

Appreciate that, thank you.

Send your pieces to:
