We were given your details from Daniel Mallon following the loss of my daughter's stillborn twin boys.

I just wanted to thank you so much for your extremely generous donation of clothing and cots from your charity. We were overwhelmed both by the quantity and quality of them. We have taken them to our local hospitals and they are absolutely delighted and will put them to good use.

Amy & Ian Collins - parents

We just wanted to say thank you so much for the beautiful baby basket you kindly donated to Stoke Mandeville Hospital. Last week we went through the awful experience of giving birth to our baby at 17 weeks. Seeing our baby was going to be put into one of your baskets made it just a little bit less distressing. We are so grateful for the people who take the time to make such beautiful creations and think they must be extremely talented. Thank you once again

Steph & Ali - Poole Hospital

Thank you so much for the lovely tiny bears we received. They truly are perfect for our families and do give them comfort.
